### Membership on the move

There are many hard working Rotary International committees and resource groups but the work of the "Membership on the Move" committee in Zone 7a and 8a continues to impress.

Club presidents still trying to galvanise their members into "membership action", should call or email *Membership on the Move* Newsletter Editor Len Moss (0438 682 713; lenmoss@tsn.cc) and ask him to send a copy of the November newsletter.

It's crammed with excellent membership development advice from experienced Rotarians like Sylvia Byers, Rob Wylie, Noel Trevaskis, Harold Sharp, Ian Yarker and Philip Archer. Topics like keeping alumni in the Rotary family, chartering new clubs, the best age group for prospective new members, tips on keeping existing members focussed and happy, new club activity, and there is even a super prompt sheet to encourage "tired old Rotarians" to think about prospective new members! ■
