To help your club or district promote Rotary's 104th birthday, consider submitting a news release to your local media. A sample release describes how clubs around the world are celebrating through service and highlights Rotary's efforts to raise \$200 million in response to two challenge grants from the Bill & Melinda Gates Foundation. The Four Way Test

Of the things we think, say or do...

Is it the truth?

Is it Fair to all concerned?

Will it build Goodwill & better Friendships?

Will it be Beneficial to all concerned?

Our guest speakers of last week, left Ralf Kreinberg and Keith Graham.

Ralf spoke of his TAFE outreach program in particular for young disengaged students from 14yrs upwards, relating the history of the mobile kitchen planning and construction. Ralf explained his love of giving and that he always says yes, a most positive attitude. During the thank you process he was asked to join us and become a Rotarian. Of course Ralf said YES! We look forward to Ralf's contribution and fellowship at Nambucca Heads.

Keith a retired teacher spoke about his life in the education field and his on going passion to teach young people. Keith is particularly interested in involving young people in community activity and governance.

Our club expressed the desire to work towards Keith's goal by working with him on encouraging and supporting the youth of our Valley.
