WHAT IS.... The Great Australian Bike Ride

Australian Rotarians have embarked on the longest organized bike ride in their nation's history: a seven-month, 18,000-kilometer (11,200-mile) journey to raise awareness of Rotary, Australian Rotary Health, and the need to fund mental illness research.

The [Great Australian Bike Ride](#) is sponsored by [Australian Rotary Health](#), an RI Board-approved, multidistrict project that raises money for and provides grants to medical and mental health research projects.

"Rotarians welcome any novel opportunity to get involved and to help the community," says Dick White, chair of the event.

Riders took off from Melbourne on 21 March then took a boat to their first stop, Hobart, Tasmania, looping around the island before returning to the mainland. Over the next seven months, riders will circle the country counterclockwise, stopping in the capital cities of each of Australia's states and territories before ending in Melbourne on 10 October.

Please let our treasurer Ron Barber know if you are not attending by Monday noon or if you are bringing a guest on 65681995
